Why join Kipabiskau Water Sports Club?

There are many benefits of joining KWSC. As a member of KWSC you also become a member of Water Ski and Wakeboard Canada (WSWC). Through WSWC we are able to provide our members with \$5 million liability insurance, reduced rates for boat insurance through TowSmart, insurance coverage for towed water sports **including tubing** and access to programs such as Rip N Ride (this is the program KWSC uses for the clinic held every July.)

In addition:

KWSC members have the use of all the club equipment such as kid's skis, junior skis, adult skis, wakeboards, kneeboards, jump skis, wake skates and surf boards.

KWSC members have use of the slalom course, jump, sliders and other on-water amenities.

KWSC members are eligible to participate in waterski, wakeboard, jump and trick clinics.

KWSC members are eligible to participate in boat driving, coaching and officiating clinics.

Membership gives your family access to competitions and funding for clinics and competitions.

There are two types of memberships – recreational for those individuals or families who do not intend to compete and competitive for those individuals or families that compete in provincial and/or national tournaments. The cost for membership is \$30 for an individual recreational membership, \$50 for family recreational membership, \$35 for an individual competitive membership and \$55 for a family competitive membership. For more information and membership forms, please call Daniel Gray @ 306-270-7079 or email gray.daniel.r@gmail.com

We hope you join us – it's not too late!
