Park Manager's Report

Happy New Year everyone;

I have attached a copy of the letter that will accompany your annual park lease fee invoice. Please take a few minutes to update your information and return it with your prompt payment or send it via email if you so choose. It is imperative that the park has your current and accurate contact information. Without accurate information the park incurs additional costs and charges passed on from the RM and our Provincial Government etc. Please help us control our expenses by providing this information. Your information is always kept confidential and never shared with non-secure sources.

The Park Board are always working on your behalf to help control all park related expenses and are also exploring the idea of sending park invoices and notices electronically. Please let us know your thoughts in this regard as well. Snow conditions are good here at the park as well and the trails are being used daily. Please be safe and remember to always wear a helmet while snowmobiling. If you are venturing out alone, please be sure to let someone know where you are going and when you are expected back. Always be safe and enjoy your time in the park. I would also like to thank the many volunteers helping to keep park access open during these winter months. Til next time.

Take care,

Ken Peterson, General Manager

Cabin Holders, Did You Know:

The RM of Pleasantdale are legislated by the Government of Saskatchewan to collect education tax on their behalf on the value of your cabin/home at the lake based on SAMA's assessed property value. This tax is a provincial education tax only and is due by December 31st each year. The RM are not compensated by the Provincial Government for collecting this tax and therefore pass their collection costs on to the Park.

Because the RM of Pleasantdale do not collect a property tax from you the cabin holder, they are not responsible to provide any services to you for your property, ie. Garbage collection, water supply, road maintenance, snow removal, property sales information, etc. These services are provided by the park only, as part of your annual lease fee. Each time you contact the RM of Pleasantdale with property concerns, maintenance concerns or general questions regarding your park property, the park is charged by the RM for this service. We ask you, your realtor and or your legal council to please direct all your questions in this regard to Mr. Ken Peterson, your Park Manager for clarification. We will do our best to help you with your inquiry and reduce unnecessary costs from being charged to the park and ultimately passed on to you by increasing your annual lease fees. Thank-you, Your Park Board.

A Message from Kip Park

Dear Cabin Holder's and Seasonal Campers;

It is imperative that we at the park always have current and accurate contact information for all Cabin Holders and Seasonal Campers. This information is required for us to be able to contact you in case of an emergency in the park, ie break in's, fire, park notices or a natural disaster that may affect you or your property. It is also required for the Provincial Government to send education tax assessments, notices and invoices that also affect your park property. Over the past several years some of you have dropped your land line and moved to cellular phones, or have moved changing your mailing address, or changed internet providers and thus changed your email address. Some of you are snowbirds and are away in the winter months and are using a different email or phone number at that time.

Please take the time to update this form with all your current information. Together we can improve park communication and keep you informed. It will be kept private and is required for park business only. You can e:mail this information if you wish to info@kippark.ca
