Park Manager's Report

Hi all;

Well the snow is all but gone now and we are all anxiously waiting for the official opening of the park on the May 15th. The maintenance staff will be returning to work on April 29th and will begin whipping the park in to shape. They will begin work firing up our water treatment plant and clearing water lines and repairing any of those nasty leaks as soon as weather permits. The park store is scheduled to be open on May 17th with orientation training taking place on May 12th. Your park AGM is scheduled for Sunday May 19th beginning at 2:00pm in Montgomery Hall. This meeting is open to all Cabin Holders as well as Seasonal Campers and we encourage all to attend this informative meeting. Your voice is important to the future of our park. The Park Board will remain intact for the 2019 year as Larry Mitchell and Darren Simons have graciously volunteered to represent the cabin holders for another term. The Park Board also continues to work on all aspects of park operations as well as the planned construction of a new shower house building in the main campground area. A few cabins have changed hands this winter so you can expect to see some new faces in the park this year. Please reach out to your new neighbours and welcome them to our beautiful park. Several cabin holders have applied for building permits to repair, construct or beautify their cabins and properties this summer. Please use caution and drive slowly in the park and be aware that construction equipment operators may not be able to see you when they are moving around in close quarters.

As always, enjoy and respect your lake and our beautiful park. Til next time.

Take care,

Ken Peterson, General Manager

Please contact us for pricing, commitment opportunities and availability at info@kippark.ca . All funds raised from our newsletter and website advertising are used to help maintain operate and beautify Kipabiskau Regional Park. Contact us today!

Cabin Holders, Did You Know:

The RM of Pleasentdale are legislated by the Government of Saskatchewan to collect education tax on their behalf on the value of your cabin/home at the lake based on SAMA's assessed property value. This tax is a provincial education tax only and is due by December 31st each year. The RM are not compensated by the Provincial Government for collecting this tax and therefore pass their collection costs on to the Park.

Because the RM of Pleasentdale do not collect a property tax from you the cabin holder, they are not responsible to provide any services to you for your property, ie. Garbage collection, water supply, road maintenance, snow removal, property sales information, etc. These services are provided by the park only, as part of your annual lease fee. Each time you contact the RM of Pleasentdale with property concerns, maintenance concerns or general questions regarding your park property, the park is charged by the RM for this service. We ask you, your realtor and or your legal council to please direct all your questions in this regard to Mr. Ken Peterson, your Park Manager for clarification. We will do our best to help you with your inquiry and reduce unnecessary costs from being charged to the park and ultimately passed on to you by increasing your annual lease fees. Thank-you, Your Park Board.

A Message from Kip Park

Dear Cabin Holder's and Seasonal Campers;

It is imperative that we at the park always have current and accurate contact information for all Cabin Holders and Seasonal Campers. This information is required for us to be able to contact you in case of an emergency in the park, ie break in's, fire, park notices or a natural disaster that may affect you or your property. It is also required for the Provincial Government to send education tax assessments, notices and invoices that also affect your park property. Over the past several years some of you have dropped your land line and moved to cellular phones, or have moved changing your mailing address, or changed internet providers and thus changed your email address. Some of you are snowbirds and are away in the winter months and are using a different email or phone number at that time.

Please take the time to update this form with all your current information. Together we can improve park communication and keep you informed. It will be kept private and is required for park business only. You can e:mail this information if you wish to info@kippark.ca

Cabin/Campsite # _____ Name: _____

Mailing Address: _____

Park Phone # _____ Cell Phone #' s _____

E:mail Address _____

Our Mission Statement: To provide the best possible facilities, products and customer service to our cottage owners, seasonal campers, daily campers, visitors and guests, on a user pay basis, within our resources and utilizing fiscal responsibility.
