Park Manager's Report

Hi all;

The maintenance staff have been working hard to whip the park in to ship shape after a cold winter. Water lines are frozen in certain areas and staff are trying to steam the lines to open water flow to the entire park. If you run in to one of the maintenance staff, please thank them for working so hard to make the park the beautiful place that it is. The park store is now open, and the staff are working hard to stock the shelves with fresh confectionary items. The main boat dock, marina, and fuel dock have been installed and the fuel is now available. Unfortunately, the kitchen will remain closed until the store water supply is up and running. Sorry for this inconvenience. You will notice an increased security presence in the park with additional security cameras that have been installed in key areas. Your Park AGM is scheduled for Sunday May 19th beginning at 1:00pm in Montgomery Hall. This meeting is open to all Cabin Holders as well as Seasonal Campers and we encourage all to attend this informative meeting. An update on the new shower building and plans will be discussed. Your voice is important to the future of our park. All information can be viewed in the Cabin Holders and Seasonal Campers section of our website. If you haven't already registered for your secure access to this park service, please take the time to do so, and follow us on Facebook. Let us help you to keep informed Saskatchewan Conservation Officers have reminded us that you can be fined if you transport your boat without removing the drain plug. This is a mandate to help stop the spread of Quagga Mussels.

As always, enjoy and respect your lake and our beautiful park. Til next time.

Take care,

Ken Peterson, General Manager

A Message from Kip Park

Dear Cabin Holder's and Seasonal Campers;

It is imperative that we at the park always have current and accurate contact information for all Cabin Holders and Seasonal Campers. This information is required for us to be able to contact you in case of an emergency in the park, ie break in's, fire, park notices or a natural disaster that may affect you or your property. It is also required for the Provincial Government to send education tax assessments, notices and invoices that also affect your park property. Over the past several years some of you have dropped your land line and moved to cellular phones, or have moved changing your mailing address, or changed internet providers and thus changed your email address. Some of you are snowbirds and are away in the winter months and are using a different email or phone number at that time.

Please take the time to update this form with all your current information. Together we can improve park communication and keep you informed. It will be kept private and is required for park business only. You can e:mail this information if you wish to info@kippark.ca
