Park Administrator's Report

Some of you have been contacting me regarding our Park opening plans. This is the most current information I have received to date.

As our main camping season doesn't open for another 4 weeks, we will be following the advice of health officials and adjusting our business practices as needed. We will be following the same practice as Provincial Parks, and we will be sending updates as we receive information. You can also check out their Announcement page for updates regarding 2020 park opening information.

Provincial updates can be found on the Government of Saskatchewan website here:

<https://www.saskatchewan.ca/government/news-and-media>

Self-Assessment and health information is available on the COVID-19 Information Online site here:

<http://www.saskatchewan.ca/COVID19>

Saskatchewan Regional Parks website can be found online here:

<https://saskregionalparks.ca>

Some of you have chosen this time of isolation to travel to your cabins and do some renovations. Please remember to follow park rules regarding what you can and cannot place in the park garbage bins. Signs clearly state that no non-household garbage is to be placed in the bins and that you MUST flatten all cardboard boxes.

The Provincial Government has renewed our Park Land Lease and we have been granted a 33-year lease term, which will now expire in March of 2052. If you haven't already done so, make sure we have all your up to date contact information so we can process the new paperwork correctly and in a timely manor.

Please take a moment and add me to your contact information, throw me a text or send me an email. I am available during normal hours. Check our website often for park announcements and please follow us on Facebook.

Take care of yourselves and stay safe.

Cooking with the Miller's

Mexican Rice & Black Bean Salad

Ingredients:

3 cups water

1.5 cups long grain rice

.5 tsp salt

5 or 6 plum tomatoes or 1 can (well drained) diced tomatoes

1 small red onion or .5 large diced

3 or 4 green onions chopped

2 – 19oz cans black beans drained and rinsed (about 3 cups)

1/3 cup vegetable oil

3 tbsps. fresh squeezed lime juice

1 tbsp. toasted cumin seeds – can substitute ground cumin in a pinch

.25 or .5 salt

2 tbsps. finely chopped and seeded jalapeno pepper (leave seeds in if you like it a little hotter)

.25 to .5 tsp cayenne pepper (optional)

3 cups drained kernel corn

1/2 cup fresh cilantro (some don't care for this so add at the end if you wish)

Cook the rice, water and salt for about 12 minutes covered at a low simmer. Check, and if all water is not absorbed give it a few more minutes.

Quickly cool and dry the rice by spreading on a cookie sheet until it's room temperature.

Meanwhile, seed and coarsely chop your tomatoes, slice red onions finely and chop green onions.

Drain and rinse your black beans and kernel corn.

In a small bowl: mix your oil, lime juice, cumin, salt and cayenne pepper and whisk together for your dressing, add your jalapeno and set aside.

In a large bowl (we use a tupperware bowl with lid) add your rice and dressing and stir gently to mix well. Now add the tomatoes, onions, black beans and kernel corn. You're ready to eat! Top with cilantro (or not)

This can be served right away or covered and refrigerated for a day or two. Makes about 10 – 12 cups.

This may sound complicated but it's not, and so good to serve with most anything you are grilling.

In the meantime, please stay at home, practice safe physical distancing and we will all be able to get back to the beach and start enjoying the summer, our friends, and neighbours.

**Bon Appetite,
Dennis & Allison**
