## Park Administrator's Report

At present our Park Board have chosen to only open the park to Cabin Holders and Seasonal Campers. We will not be taking reservations for daily camping until we can open our bathroom and shower facilities. Water is now running throughout the park. The fish filleting shack is now open to one person at a time and you **MUST** clean and rinse after each use. There is no fishing allowed off any park docks or marinas due to Covid19 requirements. The park store, hall, laundry, main beach, and playground will remain closed until further notice, we will be selling fuel, however, by appointment only during common business hours please. Contact me to arrange an appropriate time meet and we will only be accepting electronic payment for fuel purchases.

Some of you have chosen this time of isolation to travel to your cabins and do some renovations. Please remember to follow park rules regarding what you can and cannot place in the park garbage bins. Signs clearly state that no non-household garbage is to be placed in the bins and that you **MUST** flatten all cardboard boxes. The upper storage compound as been cleared, and we have a burning pile for leaves and tree branches only. You can park your boat trailer in this area, orderly, by permission only and you must identify your trailer. The Provincial Government has renewed our Park Land Lease and we have been granted a 33-year lease term, which will now expire in March of 2052. If you have not already done so, make sure we have all your up to date contact information so we can process the new paperwork correctly and in a timely manor. Please take a moment and add me to your contact information, throw me a text or send me an email. I am available during normal hours. Check our website often for park announcements and please follow us on Facebook.

Take care of yourselves and stay safe.

# Cooking with the Miller's

## FRUIT CRISP

Quick and easy dessert that is so good!

Ingredients:

2-4 cups of whatever fruit you have. (Rhubarb, saskatoon, blueberry, apple, peach, plum, raspberry all work great)

1 cup rolled oats (I use the quick for best results)

3/4 cup brown sugar

1/2 cup all purpose flour (can substitute GF flour 1 for 1)

1/2 cup butter or good margarine

white sugar to sweeten fruit (if you wish |)

Preheat oven or BBQ to 350-375. If using BBQ use indirect heat for no burn best results. Place the fruit in your non-stick pan to form a smooth layer. I use a 9x13 but have used a 9x9 or even a cast frying pan. Sprinkle with white sugar if you like it sweeter than natural.

In a separate mixing bowl add the flour, oats, and brown sugar. Cut in the butter.

I prefer to simply use my hands for this process. This works better if the butter isn't too soft. When finished you should have a nice crumbly mixture.

Place this loosely on top of the fruit and bake for 30-35 minutes or until nicely browned and fruit is bubbly tender.

Can be served hot, room temp or cold. Topped with ice cream, whipped cream, cool whip or just plain.

\* if using apple, cinnamon can also be added for increased flavor.

This is a "go to" as summer berries come into season.

Stay safe and Bon Appetite

Dennis & Allison

## Message from the Chairman

Last night, at our monthly Directors meeting I indicated that I would remain as Chairman and asked Donna Albertson to be our Vice Chairman and Ross Mireau to be our Treasurer, which will form the Executive Committee of the board. As your Chairman for the coming year, it is my intention to continue our emphasis on protecting the water quality of our lake and to ensure that living at and visiting our Park is a pleasurable experience.

As you all are aware, our lives have been greatly altered with the spread of the Coronavirus. (COVID-19). The Board has decided that the Park will follow all the Federal and Province of Saskatchewan regulations and policies while seeking advice from the Saskatchewan Regional Park Association on their implementation. There has been a great deal of disagreement over the protocols and whether they have been necessary or effective. Regardless of your position on the issue, we are asking everyone to abide by the new rules. As the Re-Open Saskatchewan plan unfolds, we will be making changes. I would recommend that everyone go to the [saskregionalparks.ca](http://saskregionalparks.ca) website and get the details. I would also ask that everyone, cabin owners, seasonal campers and service personnel treat all of our employees, and especially our gatehouse employees with respect and kindness and to please address any of your concerns with the Park Administrator, Kevin Moulds.

Recently, we have installed more than six speed bumps in the Park for are several reasons, but the most important is for the safety of the young and elderly while enjoying the Park. I have on numerous occasions witnessed the same automobiles exceeding our posted speed limits. Therefore, because of few, we have had to inconvenience the majority. I ask everyone to slow down and enjoy their drive through the Park.

I hope we can move quickly and safely to a new normal place. I wish everyone a successful transition in their own and their family's lives. Be careful and be safe.

Lyle Dunkley

**Our Mission Statement:** To provide the best possible facilities, products and customer service to our cottage owners, seasonal campers, daily campers, visitors, and guests, on a user pay basis, within our resources and utilizing fiscal responsibility.
