Dear Santa,

I've been good all year.  
Okay, most of the time.  
Once in a while.  
Never mind, I'll buy my  
own stuff.

## Park Administrator's Report

Winter has landed at Kip with a vengeance and we have responded to the task of snow removal. We will be taking care of basic snow removal this winter as we have in past years. Please keep the area next to the roadways clear so the park tractor can pass by without incident. I wish to thank Sam and Arlee for helping me in the snow removal as this is not the most pleasant job on an open-air tractor in frigid temperatures.

The lake froze over on November 10<sup>th</sup> and I remind you that Kip is a flowing river. Please use extreme caution and check the ice conditions regularly, as the ice can be very thin in spots and you could easily fall through.

**It's that time of year once again when I must remind you to submit your payment for the Provincial Education Tax on your cabin to the RM of Pleasantdale before the deadline of December 31<sup>st</sup> 2020. You should have received an invoice in June indicating the amount due. If not please contact them at 306-874-5732 to confirm your amount owing.**

The Provincial Government has renewed our Park Land Lease and we have been granted a new 33-year lease term, which will now expire in March of 2052. If you did not receive your copy in your email please contact me and I will make sure you get one. If you require a copy of the new lease for business purposes, a copy is available under the "Bylaws" section on the website.

Please take a moment and add me to your contact information, throw me a text or send me an email. I am available during normal hours. Check our website often for park announcements and please follow us on Facebook. Make this your go to place for all Park information.
